

EnviroGreen Degreaser

EnviroGreen Degreaser is a fluoro orange heavy duty water based degreaser. EnviroGreen Degreaser is based on a blend of vegetable and organic based detergents, naturally derived solvents and corrosion inhibitors.

Application: EnviroGreen Degreaser was developed specifically to clean and degrease external engine components as well as other hard surfaces such as floors and walls. It is also suitable for the cleaning of taut liners on trucks as well as different types of mag wheels. EnviroGreen Degreaser contains a specialty blend of citrus solvent to effectively degrease all surfaces while imparting a fresh orange fragrance during the cleaning process. EnviroGreen Degreaser contains a blend of corrosion inhibitors to ensure absolute safety on metal surfaces, including mild steel, cast aluminium and galvanized surfaces.

Features and Benefits

- Cleans & degreases all types of surfaces
- Contains corrosion inhibitors
- Quick break detergent
- Contains a blend of citrus solvents
- Based upon renewable & regrow-able resources
- Reduces the number of cleaning products
- Safe to use on different types of surfaces
- Environmentally acceptable for triple interceptors
- User friendly to the operator

Directions for use: Dose rates will dependant on degree of soiling. Dilute with water according to usage conditions.

Note: Do not allow to dry on surface. Avoid applying the product on to hot surfaces. Remove with a high pressure water rinse.

Conditions	Dilution
Heavy Soils	1: 5
Medium Soils	1: 10
Light Soils	1: 75

Keeping the world moving since 1866™

Serving more than 100 countries around the globe, Valvoline is a leading marketer, distributor and producer of quality branded automotive and industrial products and services. Products include automotive lubricants including MaxLife™, the first motor oil specifically formulated for higher-mileage vehicles; transmission fluids; gear oils; hydraulic lubricants; automotive chemicals; specialty products; greases, and cooling system products.

Part Number	Pack Size
419002	20L
419006	200L
419008	1000L

Health and Safety

This product is not likely to present any significant health or safety hazards when used correctly in the right application. Safety Data Sheet (SDS) is available on request via your local sales office or 1800 804 658 or through our website www.valvoline.com.au

Protect the Environment

Take used oil to an authorized collection point. Do not discharge into drains, soil or water.

Storage

Storage We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
