

Valvoline™ Power Armour 4 Stroke 10W-30

Valvoline™ Power Armour 4 Stroke 10W-30 Motor Oil is a multigrade SAE 10W-30 engine designed for small petrol engines. It prolongs engine life by protecting critical engine parts against rust, corrosion and premature wear.

Valvoline™ Power Armour 4 Stroke 10W-30 is recommended for use in 4 Cycle Lawn Mower, Pressure Washer and Generator engines operating on unleaded plus older leaded fuel, utilising Briggs & Stratton engines.

Specifications and Approvals

Power Armour 4 Stroke 10W-30*
SAE 10W-30
API SJ

*Check owners' manual before use.

Applications

Power Armour 4 Stroke 10W-30 engine oils, enhances engine durability and fuel efficiency, while maintaining maximum engine protection during the longer drain intervals found in today's passenger vehicles.

Power Armour 4 Stroke 10W-30 engine oils are suitable for use in passenger and light duty commercial vehicles fitted with petrol engines.

Features and Benefits

Superior Protection

Power Armour 4 Stroke 10W-30 engine oil fights the major causes of engine stress, heat, deposits and wear from Start-up to Shut down.

Advanced additive system

Provides excellent wear protection and enhances engine life.

Multi grade protection

Gives better start-up protection

Viscosity Control

Delivers enhanced durability and lower oil consumption.

Excellent cold start properties

Low temperature viscosity control results in easy cold start whilst providing maximum cold start protection.

Advance Detergency Technology

Keeps internal components cleaner for longer

PRODUCT INFORMATION

Keeping the world moving since 1866™

Serving more than 100 countries around the globe, Valvoline is a leading marketer, distributor and producer of quality branded automotive and industrial products and services. Products include automotive lubricants including MaxLife™, the first motor oil specifically formulated for higher-mileage vehicles; transmission fluids; gear oils; hydraulic lubricants; automotive chemicals; specialty products; greases, and cooling system products.

For more information on Valvoline products, programs and services please visit www.valvoline.com.au or contact the Technical Hotline on 1800 804 658 for product recommendations.

Typical Properties

Typical property characteristics are based on current production. Whilst future production will conform to Valvoline™ specifications, variations in these characteristics may occur.

Power Armour 4 Stroke 10W-30	Typical
SAE Viscosity Grade	10W-30
Viscosity @ 100 °C, mm ² /s, ASTM D445	11.5
Viscosity @ 40 °C, mm ² /s, ASTM D445	76.8
Viscosity Index, ASTM D2270	143
Density @ 15 °C, kg/L, ASTM D4052	0.872

Note: Power Armour 4 Stroke SAE 10W-30 engine oil may be unsuitable for use in some engines, always consult owners' manual if in doubt.

Health and Safety

This product is not likely to present any significant health or safety hazards when used correctly in the right application. Safety Data Sheet (SDS) is available on request via your local sales office or 1800 804 658 or through our website www.valvoline.com.au

Protect the Environment

Take used oil to an authorized collection point. Do not discharge into drains, soil or water.

Storage

Storage We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60 °C, exposed to hot sun or freezing conditions.
