

EnviroGreen QB Degreaser

EnviroGreen QB Degreaser is a biodegradable, water based and an environmentally friendly degreaser. EnviroGreen QB Degreaser is a low pH quick break green colored heavy-duty water based degreaser based on a blend of biodegradable detergents, specialty cleaning agents and corrosion inhibitors.

Application:

- EnviroGreen QB Degreaser was developed specifically to clean and degrease hard surfaces such as machinery, floors and walls.
- EnviroGreen QB Degreaser contains a blend of corrosion inhibitors to ensure absolute safety on various metal surfaces, these include mild steel cast, aluminium and galvanized surfaces.
- EnviroGreen QB Degreaser is designed to break quickly for ease of use.

Features and Benefits

- Cleans & degreases various types of surfaces
- Fully Biodegradable
- Contains corrosion inhibitors
- User friendly to the operator
- Quick break detergent
- Environmentally acceptable for triple interceptors
- Safe on all surface
- No unpleasant solvent fumes

Directions for use:

Use undiluted to remove heavy build-up of grease and/or oil. Dilute for less heavily soiled build-up, to a concentration of 5-10%.

Spray directly onto surface to be cleaned. Allow 5-10 minutes for penetration of products into the soils. Rinse clean with high pressure clean water. Do not allow to dry on glass surfaces.

Note: Do not allow to dry on surface. Avoid applying the product on to hot surfaces.

Keeping the world moving since 1866™

Serving more than 100 countries around the globe, Valvoline is a leading marketer, distributor and producer of quality branded automotive and industrial products and services. Products include automotive lubricants including MaxLife™, the first motor oil specifically formulated for higher-mileage vehicles; transmission fluids; gear oils; hydraulic lubricants; automotive chemicals; specialty products; greases, and cooling system products.

Health and Safety

This product is not likely to present any significant health or safety hazards when used correctly in the right application. Safety Data Sheet (SDS) is available on request via your local sales office or 1800 804 658 or through our website www.valvoline.com.au

Protect the Environment

Take used oil to an authorized collection point. Do not discharge into drains, soil or water.

Storage

Storage We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
